

## Throw Away Less, Pay Less...Its that easy.

The District and member towns operate several drop-off sites for trash and recycling. At District sites, you only pay for what you throw. The cost for a 30 gallon trash bag plus recycling is \$4.50. Come without recycling and pay \$4.00 per bag. If you have just recycling, the fee is \$1.50 for two blue bins or 32 gallons. What an easy way to save some money!
